

EXECUTIVE OFFICE OF THE PRESIDENT

OFFICE OF MANAGEMENT AND BUDGET

WASHINGTON, D.C. 20503

November 4, 1971

CIRCULAR NO. A-46

Transmittal Memorandum No. 14

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Revision of Exhibit E, Circular No. A-46 -
Standard Metropolitan Statistical Areas

Exhibit E, Circular No. A-46, as issued by Transmittal Memorandum No. 6, dated March 21, 1969, and revised by Transmittal Memorandum No. 13, dated February 22, 1971, is further revised to provide for (1) the designation and definition of additional Standard Metropolitan Statistical Areas, (2) changes in the titles of some areas previously designated, and (3) the definition of the Standard Metropolitan Statistical Areas designated by Transmittal Memorandum No. 13.

These actions are based on results of the Nineteenth Decennial (1970) Census. They are taken under revised criteria for establishing Standard Metropolitan Statistical Areas, which have been adopted by the Office of Management and Budget. Copies of the revised criteria may be obtained from OMB Publications Office.

The new areas designated are temporarily defined to consist of central counties, i.e., the counties in which the central cities are located. When data required to determine the metropolitan character of contiguous counties and of their economic and social relationships with central counties become available, the definition of these areas, as well as all areas previously designated, will be revised accordingly.

(No. A-46)

Transmittal Memorandum No. 13, dated February 22, 1971,
is hereby rescinded and replaced by the attached.
